

SESSION 7

○ 21.05h.- 22.30h. Auditorium

The lungs in the immunosuppressed patient. Dra. Elie Azoulay. France
Non-invasive ventilation in immunosuppressed patients: When, how and what to expect. Dr. Miguel Ferrer. Spain - Official representative of the Spanish Society of Pneumology and Thoracic Surgery (SEPAR).

New advances in lung transplant therapy. Dr. Matute-Bello. USA.

Lung cancer at the ICU: challenges and opportunities. Steves Pastores. USA.

Respiratory complications in HIV patients admitted to the ICU. Dr. Gustavo Lopardo. Argentine. Representant of the Pan American Association of Infectious Disease (AIP).

Questions and answers: Dr. Orville Báez Pravia. Spain; Dr. Fabio Varón. Colombia; Dr. Mario Godino. Uruguay.

Short break- coordinating time

Closing conference

○ 22.35h.-22.50h. Auditorium

"Half a century of ARDS". Dr. Jean Louis Vincent. Belgium. President of the World Federation of Societies of Intensive and Critical Care Medicine.

Free Registration at: <http://www.grupodistribuna.co/pulmoncritico/>

Contact: pablocardinal@hotmail.com

The attendance certificate will be only issued to those who have attended the event in person.

Coffe / lunch included.

○ On-site speakers at Hospital Universitario HM Sanchinarro

- **Dr. José Eugenio Guerrero.** Head of the ICU. Grupo HM Hospitales. Head of the ICU. Gregorio Marañón University Hospital. Madrid. Spain.
- **Dra. Mari Cruz Martín Delgado.** Torrejón University Hospital. Madrid. Spain
- **Dr. Carlos Pey.** Hospital Universitario HM Sanchinarro. Madrid. Spain.
- **Dr. Luis Córdoba.** Hospital Universitario HM Sanchinarro. Madrid. Spain.
- **Dr. Orville Báez Pravia.** Hospital Universitario HM Sanchinarro. Madrid. Spain.
- **Dr. Pablo Cardinal-Fernández.** Hospital Universitario HM Sanchinarro. Madrid. Spain.
- **Dra. Alicia Ferreira.** Hospital Universitario HM Sanchinarro. Madrid. Spain.
- **Dra. Itziar Fernández Guerrero.** Neumology Department. IIS-Fundación Jiménez Díaz. Madrid. Spain.
- **Dr. Jesús Álvarez.** Getafe University Hospital. Madrid. Spain.
- **Dr. Luis Blanch.** Critical Care Department, ParcTaulí Sabadell. Hospital Universitari, Universidad Autònoma Barcelona. Barcelona. Spain.
- **Dr. Antonio Artigas.** Critical Care Center, Corporació Sanitària Universitat Parc Taulí. Sabadell. Barcelona. Spain.
- **Dr. Federico Gordo.** Intensive Care Unit. Henares University Hospital. Coslada, Madrid. Spain.

Welcome to the World Day of the Critical Lung

○ 12.10h.- 12.20h. Teaching Room

Dr. José Eugenio Guerrero. Head of the ICU. Grupo HM Hospitales. Head of the ICU. Gregorio Marañón University Hospital. Spain.

SESSION 1

○ 12.20h.- 13.50h. Teaching Room

The lung under extreme conditions. Dr. Thiago Lisboa. Brazil.

Effect of high altitude in mechanically ventilated patients. Dr. Guillermo Ortiz. Colombia.

Official representative of the Latin American Network for Researching in High Altitude.

Ultrasound in massive pulmonary embolism. Dr. Jesús Álvarez. Spain.

New horizons in pulmonary arterial hypertension therapies. Dr. Víctor Moles. USA.

Tuberculosis at the intensive care unit. Dr. Mervyn Mer. South Africa.

Questions and answers: Dr. Manuel Garay. Colombia; Dr. Juan Carlos Grigñola. Uruguay; Dr. Aurelio Rodríguez. Botswana.

Short break- coordinating time

Inaugural conference

○ 13.50h.-14.05h. Teaching Room

“Global Burden of respiratory diseases in the intensive care unit“. Dra. Mari Cruz Martín Delgado. Spain. Official representative of the Pan American and Iberian Federation of Critical Medicine and Intensive Care Societies.

SESSION 2

○ 14.05h.-15.35h. Teaching Room

Acute respiratory failure. Dr. LJ Kaplan.FACS, FCCM.USA.

Ultrasound evaluation of weaning in the ICU. Dr. Antonio Hernández. FCCM. USA.

Quality assessment of mechanical ventilation. Dr. David Murphy. USA.

Extracorporeal techniques for pulmonary rescue. Dr. Pauline Park. FCCM. USA.

Acute respiratory failure as a precursor to Post-intensive care Syndrome. Dr. Mark Mikkelsen. FCCM. USA.

Questions and answers: Dr. Randi Smith. USA; Dr. Priya Prakash. USA.

Short break- coordinating time

SESSION 3

○ 15.35h.-17.05h. Auditorium

Monitor and support respiratory function. Dr. Neill Ferguson. Canada.

Postextubation respiratory Failure: non-invasive mechanical ventilation or high-flow nasal cannula? Dr. Gonzalo Hernández. Spain.

Electrical impedance tomography to optimize mechanical ventilation. What else? Dr. Federico Gordo. Spain.

Is it possible to diminish the ventilatory-patient asynchronies? Dr. Luis Blanch. Spain.
Improving sedation practices in mechanically ventilated patients? Dr. Jorge Salluh. Brazil.

Questions and answers: Dr. Bruno Pinheiro. Brazil; Dr. Emmanuel Charboney. Canada; Dr. Jesús Blanco. Spain.

Short break- coordinating time

SESSION 4

○ 17.05h.- 18.20h. Auditorium

Pulmonary infections. Dr. Jordi Rello. Spain.

Tools for outcome prediction in patients with community acquired pneumonia.

Dr. Ignacio Martín-Loech. Ireland.

Steroids for community acquired pneumonia: Why, when and how.

Dr. Antoni Torres. Spain.

Management of adults with hospital-acquired and ventilator-associated pneumonia: 2016 Clinical Practice Guidelines. Dr. André C. Kalil. USA.

Questions and answers: Dra. Ana Laura González. Argentine; Dr. Manuel Jibaja. Ecuador; Dr. Mahmoud Hassebo. Saudi Arabia.

Short break- coordinating time

SESSION 5

○ 18.20h.-19.35h. Auditorium

Acute Pulmonary Distress Syndrome. Dr. Claude Guerin. France.

Do we need a new ARDS definition? Dr. Theogene Twagirumuga. Ruanda.

Why have all pharmacological treatments failed? Dr. Antonio Artigas. Spain.

What is new in 2017 mechanical ventilation guidelines for patients with ARDS?

Dr. Eddy Fan. Canada.

Questions and answers. Dra. Elisa Estenssoro. Argentine; Dr. Andrés Esteban. Spain;

Dr. Pablo Cardinal-Fernández. Spain; Dr. Carmelo Dueñas. Colombia.

Short break- coordinating time

SESSION 6

○ 19.35h.-21.00h. Auditorium

Bronchoobstructive diseases. Dr. Antonio Anzueto. USA.

Decoding similarities and differences between global (GOLD) and Spanish (GesEPOC) COPD guidelines. Dra. Alicia Ferreira. Spain.

Neurally Adjusted Ventilatory Assist (NAVA) in patients with acute exacerbation of chronic obstructive pulmonary disease. Dr. Ling Liu. China.

Biologics in Asthma – The Next Step Towards Personalized Treatment. Dr. Mark Cohen. Guatemala. Official representative of the Latin American Thoracic Society (ALAT).

Effect of viral infections on acute exacerbation of chronic obstructive pulmonary disease. Dr. Alejandro Rodríguez. Spain.

Questions and answers. Dr. Carlos Pey. Spain; Dr. Luis Córdoba. Spain; Itziar Fernández Ormaechea. Spain.

Short break- coordinating time
